10 Years of Trouble-free Performance

The Legendary Protection You Deserve

Give your family peace of mind and quality comfort

You've chosen a high-efficiency Coleman® HVAC system for your home. Now, you can expect to enjoy the comfort that comes with the brand known for rugged reliability. Your Coleman® HVAC system was built for years of dependable operation and comes with one of the most comprehensive limited warranties in the industry. With just routine maintenance, your Coleman® HVAC system should run efficiently for years with trouble-free performance. But even the most well-built equipment can sometimes need repairs. When you consider the rising cost of labor and materials, and the fact that most breakdowns occur when you least expect them, Coleman® HVAC wants to help keep you covered. That's why we offer the Performance Promise™ Protection Plan – up to 10 years of quality, extended protection designed to keep your Coleman® HVAC system running efficiently without unexpected repair bills.

How the Performance Promise™ Protection Plan benefits you:

Coleman® HVAC provides you with the lasting peace of mind that comes from the best extended protection plan in the industry. Here are a few Performance Promise™ Protection Plan benefits:

- Up to 10 years of total system coverage
- Offered directly from Coleman® HVAC through your Coleman® HVAC Contractor
- Protection from rising repair costs

Total coverage with no hidden costs

The benefits of Performance Promise™ coverage don't end there. The plan also includes:

- No deductible
- No limit on the number of repairs
- No expenses for regular business hour service calls
- Fast and easy access to service from the Coleman® HVAC Contractor who sold you your system

Ensure your family's comfort with the Performance Promise™ Protection Plan

Complete peace of mind for the cost of a one-time service call

With the choice of parts-only, labor-only or parts-and-labor coverage for up to 10 years, the Performance Promise™ Protection Plan offers outstanding value and peace of mind – with coverage exactly how you want it.

Provided directly from Coleman® HVAC and your Coleman® Contractor

Performance Promise™ protection is offered by Coleman® and your Coleman® Contractor, which gives you:

- Timely repairs
- Fast access to service
- No third-party involvement
- Total parts-and-labor coverage for up to 10 years

Fast and easy access, unlimited repairs

It's like having a zero-deductible healthcare plan for your home comfort system – no deductibles, no hidden costs and no limit to the number of repairs. And because you're contacting the Coleman® HVAC Contractor that sold you the equipment, you'll get quick access to the service you need.

Feel at ease with a Comprehensive Extended Protection Plan

- **Peace of mind for total comfort**
Your family can rest comfortably knowing everything is taken care of for you.
- **No additional charges**
There are no deductibles or additional charges for covered items – so you won't experience any surprises or unexpected costs.
- **Avoid costly repairs**
Repair costs are on the rise. A minor service call can cost over \$165, while major out-of-warranty repairs can run over \$1,000! Performance Promise™ protects you against these costs.
 - Condenser fan motor - \$450
 - Capacitor - \$275
 - Indoor blower motor (air handler or evaporator coil) - \$400
 - Contactor - \$275

Step into energy savings and efficiency with a Complete Comfort Plan

Performance Promise™ is designed to protect your investment by keeping your home comfort system running at peak performance – without expensive repair costs. Contact your Coleman® HVAC Contractor and ask about the Performance Promise™ Protection Plan today.
